BRINGING THE PARK EXPERIENCE TO YOU!

Union County Parks and Recreation, in partnership with local municipalities and various parks and recreation committees, would like to bring the "outdoor classroom" to you. Union County has renovated one of the fleet vans to create a "Recreation Mobile Station", much like the "book-mobiles" of the past. The van is being outfitted with various programming materials designed to introduce all age groups to the benefits of getting outside and enjoying a healthier lifestyle. County Park Rangers will be working with the local parks and recreation directors and their committees to bring the van to your area on a rotational basis to support joint recreational opportunities and special events.

For more information, call Jim Chaffin, Assistant Director, at 704-843-3919 (ext. 22).

Remember:
HAVE FUN! PLAY MORE! GET OUTSIDE!
ENJOY THE DAY!
