### News Release

#### Cold Weather Precautions Taken at Cane Creek Park

**January 21, 2014, Monroe, NC** – Due to the 7-day forecast calling for extremely cold temperatures, with several nights falling well below freezing, Union County Parks and Recreation has imposed water restrictions at Cane Creek Park Campground. Restrictions will remain in place until Saturday, Jan. 25 at 12 p.m.

Cane Creek Park's campground has numerous camp site water supply lines that are exposed to the elements. Water restrictions have been established during times when the temperature remains below 32°F. Water will be turned off during this time to prevent pipes from freezing and bursting.

“Taking these precautionary steps allows park staff to keep the campground open and still serve campers with the least amount of disruption possible, while protecting water supply lines from bursting,” said Director of Parks and Recreation Bill Whitley. “We apologize ahead of time for any inconvenience caused to our campers.”

If you have any questions, call Park Superintendent David Paschal at 704-843-3919.
