Revisions Made to Applications

March 19, 2013, Monroe, NC – Commissioners on Monday made revisions to the application to serve on appointed boards, committees and commissions.

The revised application will ask for education background, employment history and ask if applicant has ever been convicted of a felony.

“It is our duty as commissioners to put the best people possible on these boards and committees,” said Commissioner Richard Helms. “It protects the citizens to have better information provided to us so we can make an informed decision.”
