### News Release

#### April is National County Government Month

**March 19, 2013, Monroe, NC** – The Union County Board of Commissioners have proclaimed April as National County Government Month.

National County Government Month is celebrated each April by the nation's counties to raise public awareness and understanding about the roles and responsibilities of county government. This year's theme is "Smart Justice: Creating Safer Communities."

Counties provide a variety of essential public services to communities, and Union County will highlight its services and programs to residents in April through Facebook, Twitter, UCTV 16 and newsletters.

The board encourages all Union County officials, employees, schools and residents to support the "Smart Justice: Creating Safer Communities" theme.
