Greece's Contributions to Western Civilization

August 20, 2013, Monroe, NC - Join Chris Pangalos, the Warriors of Greece Commander, for a presentation about the Greco-Persian War on Friday, August 30 at 5 p.m. in the Union West Regional Library meeting room.

Learn about how the Spartans and other brave Warriors of Greece defeated the mighty invading Persian Empire's attempt to enslave them, thus preserving freedom and democracy, setting the stage for the "Golden Age" of Greece and laying the foundation for all of Western Civilization to be built on.

All attendees will receive free tickets to this year's annual "Yiasou!" Greek Festival, a Charlotte favorite for over 30 years!
