October 1, 2013, Monroe, NC – Members of the Rural Health program team from the W.G. (Bill) Hefner VA Medical Center in Salisbury will provide free flu shots and VA services at the Union County Veteran Service Office, 500 N. Main Street, Monroe, NC on Oct. 10 from 10 a.m. - 1 p.m., Ground Floor. Please call the Veterans Service Office at 704-283-3807 for additional location information on parking and building access.

Free flu shots will be available for all veterans currently using VA health care and to those veterans possessing a DD-214 and a valid photo ID.

The team will provide former and current military members assistance on registration and health care education. Former military members who are not currently enrolled for VA health care benefits will need to bring a copy of their DD Form 214, Certificate of Release or Discharge from Active Duty, to attach to their application for VA health care benefits. If you have lost your DD Form 214, you can request a copy from <http://www.archives.gov/veterans/military-service-records/>; VA personnel will assist in completing enrollment applications, requesting DD Form 214s, and initiating MyHealthVet online services.
