Mark Griffin Appointed to State Board

December 30, 2013, Monroe, NC – Gov. Pat McCrory has appointed Union County Building Code Enforcement Director Mark Griffin to serve as a member of the North Carolina State Board of Examiners of Electrical Contractors. Griffin’s term begins immediately and expires on June 30, 2020.

“North Carolina is moving forward, and your service will make an immediate and positive impact upon the changes we are making in our state,” Gov. McCrory stated in Griffin’s appointment letter. “We need leaders such as you in public service to help promote our vision and realization of a better North Carolina.”

Griffin has served as director of Building Code Enforcement since September 2012. Before taking over that role, he worked as an electrical inspector for 10 years and as electrical inspection supervisor for four years. He holds Level III standard certifications from the Department of Insurance in building, plumbing, mechanical and electrical classifications. He is also certified as an electrical continuing education instructor for contractors by the NC Board of Examiners of Electrical Contractors and also for Code Enforcement Officials by the Department of Insurance.

In November, Griffin was named N.C. Electrical Inspector of the Year by the N.C. Ellis Cannady Chapter of the International Association of Electrical Inspectors (IAEI).
