## MEDIA RELEASE

### Voter Registration Deadline is April 11

**March 14, 2014, Monroe, NC** – The deadline to register to vote in North Carolina is **25 days** before the date of an election. The deadline for registering or to change party affiliations for the May 6, 2014 Primary Election is **April 11**. The voter registration application must be received by the applicant's county board of elections by this date.

An application received after the deadline may still be timely if it was mailed and it is postmarked on or before the voter registration deadline; otherwise, the application will not be processed until after the election.

Anyone who registers at the North Carolina Division of Motor Vehicles or another voter registration agency will be considered registered as of the date the application is given to the agency. As long as this date is on or before the voter registration deadline, then the application will be deemed timely for an upcoming election. Applicants will be notified by the county board of elections of their precinct and polling place assignments.

Registering and voting on the same day at a one-stop site is no longer an option. This change is a result of the Voter Information Verification Act or "VIVA". (S.L. 2013-381).

If you have questions, call the Union County Board of Elections at 704-283-3809 or email [union.boe@ncsbe.gov](mailto:union.boe@ncsbe.gov).
