### **NCDOT Will Start Construction of New Roundabout in Union County This Week**

**July 13, 2014, Monroe, NC** – The N.C. Department of Transportation will start work on a roundabout where Sikes Mill, Tom Helms, Love Mill, East Lawyers and Old Camden roads intersect in Unionville at 9 a.m. Monday, July 14.

Contractor J.T. Russell and Sons will close the area where these roads meet through Aug. 24. NCDOT will post a detour for motorists along Unionville Road, Sikes Mill Road, Tom Boyd Road, Old Concord Road, N.C. 200, and Haigler Baucom Road back to Sikes Mill Road north of the closure.

The new roundabout will create a one-way intersection that requires approaching motorists to yield to circulating traffic, often eliminating the need to come to a complete stop. This keeps traffic in the roundabout flowing and prevents backups and delays.

NCDOT reminds motorists to watch signs for construction information, stay alert and obey the posted speed limit.

For more information, please contact the resident engineer at 704- 289-1330.
