Board Appoints Members to UCPS Capital Needs Working Group

July 15, 2014, MONROE, NC – The Union County Board of Commissioners on Monday appointed seven members to a working group that will help develop a multi-year plan to address existing and ongoing capital needs of the Union County Public Schools. The UCPS Board of Education will also appoint seven members to the group.

The seven members appointed by commissioners are Union County Manager Cindy Coto, Union County Executive Director of Administrative Services and Chief Financial Officer Jeff Yates, Chairman of the Union County Board of Commissioners Frank Aikmus, Union County Commissioner Richard Helms, Randy Adcock, Robert Dickson and Amy Bernard.

The group was formed in response to the General Assembly of North Carolina's passing of House Bill 292, which then became Session Law 2014-8, outlining required funding for UCPS current expense and capital funding. The funding is established through FY 2016.

Session Law 2014-8 requires the working group to complete its task and report to the Union County Board of Commissioners and Union County Schools on or before June 30, 2015.
