

“SPONSORSHIP FORM”

2009 Union County Christmas Bureau Sponsorship Registration Form

Thank you for your interest in assisting a family in need this holiday season! After reviewing the [web pages](#) describing each of our holiday programs, please complete this form.

YES! I/Our group would like to “Sponsor a Family for Christmas”. As the sponsor, we understand that we are required to provide one new clothing outfit per child and at least two toys for each child. For the family, we will need to provide food for their Christmas dinner. We can do this by purchasing the food ourselves, or by purchasing a grocery store gift card so that they can do their own shopping.

After you have decided on the size family you want to sponsor, return this form to the Christmas Bureau as quickly as possible. We ask that after you have purchased the family’s food and gift items, that you touch base with the family by December 14th and make arrangements for delivery with the adopted family. We ask that you have the gifts and food delivered by the Saturday before Christmas.

YES! I/Our group would like to provide “Stockings” for children at Christmas. As a sponsor, we agree to fill each provided stocking with small toys and goodies. We agree to complete the label provided with the gender and age that is most appropriate for the items included in the stocking. We agree to bring the beautifully filled stockings to the Christmas Bureau by December 16, 2009 so that volunteers can be sure to give a stocking to every child that receives assistance from the Christmas Bureau.

YES! I/Our group would like to sponsor a Gift Tree for children for Christmas. As the sponsor, we understand that we will provide new toys and/or clothes for each child we request. We will label each gift with the information provided to ensure the gifts can be given to the appropriate child. We will bring the gifts in gift bags to the Christmas Bureau before December 11, 2009 to ensure timely delivery.

YES! I/Our group would like to sponsor a “Food Drive” for Christmas. As the sponsor, we understand that we will collect canned and nonperishable food for families and deliver the food to the Christmas Bureau by December 11th so that the food can be sorted and boxed in time for Christmas deliveries.

YES! I/Our group would like to sponsor a “Book Drive” for children at Christmas. As a sponsor, we agree to collect and donate books that are gently used or new for children of all ages. Volunteers will sort the books by age group to make sure every child receives the perfect book.
