A permit issued pursuant to G.S. 153-A-357 expires six months, or any lesser time fixed by ordinance of the county, after the date of issuance if the work authorized by the permit has not commenced. If after commencement the work is discontinued for a period of 12 months, the permit therefor immediately expires. No work authorized by a permit that has expired may thereafter be performed until a new permit has been secured. (G.S. 153A-358)

Therefore, the following fees will be charged for permits that are allowed to expire:

1. Permit expiring six months after issuance
  - A. A new, second, permit will be issued within six months of the expiration date of the first permit for a fee of \$50.00.
  - B. Time that lapses beyond six months of the expiration date will require the full amount of fees to be charged.
2. Permit expiring after a year with no work being done
  - A. A new, second, permit will be issued with the full amount of fees being charged.
