## Union County Public Library to Host Rediscover Your Library Event

**September 28, 2015, Monroe, NC** – The Union County Public Library will host its first Rediscover Your Library event on Saturday, Oct. 3 from 1 p.m. to 5 p.m. at the Main Library in Monroe. The free event is open to the public and all are encouraged to attend.

During the event, visitors are invited to meet with Library administration and staff, experience our 3-D printers, learn about homework help resources, find out about upcoming programs, sign up for personalized reading recommendations, discover NC LIVE, and register for free library cards. Library staff members will be available to demonstrate new resources and answer questions about the collection, programs and services.

“We are excited to be able to showcase all of the innovative resources, services, and programs we have to offer,” said Library Director Nina Meadows. “We are so much more than books on shelves. We have programs for all ages, electronic resources for just about anything you would like to learn, and our services cover the gamut from job search assistance to homebound delivery. We are especially excited to demonstrate our databases that greatly benefit students of all ages. We have resources covering all of the major areas of study including Language Learning and Test Prep. Learning about these resources is a great way to start the school year off right.”

Anyone who visits all of the Library’s informational booths will be eligible to win a prize. Light refreshments will also be served.
