North Carolina General Statute 105-274 requires that all business personal property be listed. This means that all equipment, tools, etc. used for a business purpose, whether owned personally or not, is to be listed.

According to North Carolina General Statute 105-309 each person whose duty it is to list property for taxation shall file each year with the assessor a tax list or abstract... failure to list is a Class 2 misdemeanor.

This Seminar will explain who should list, what to list and how to list.

Questions are invited and will be answered to the best of our ability. We want to be able to assist our taxpayers and help them understand this process in a non-intimidating manner.
