INDIAN TRAIL PUBLIC WORKS

Chase Coble

ITPW is asking for a channel on the system and surplus radios. Officers would like to talk to them as well. Committee needs to look at the big picture to see what is in the policy as well as what other municipalities may need or request this service. Curtis Teague and Vicki Callicutt will review the current policy and number of radios and report on this at the next meeting.

MOTOROLA JANUARY MATRIX

UPDATE ON MOTOROLA TEST SITE

Curtis Teague

Looked at county owned and school owned property. Motorola doing test for sites in building and in the street. Talked to Lancaster County but they are using water tower sites. Tried to come up with one location to cover both problems, no one location will do it. Geography is playing a huge part.

SPCC – ADDED TO AGENDA

Mike Wilson

SPCC is wanting to plan and build for Emergency Management. Mr. Wilson is proposing if 15 surplus radios are available he would like SPCC to come on the radio system. SPCC would like better interoperability. Talk around channel and events channel. MOU – is case of emergency. A committee to review this request and how to keep the system safe has been formed.

Committee consists of:

Bryan Gilliard

Curtis Teague

Vicki Callicutt

Kevin Rigoli
